

Grupo Rotoplas completes the acquisition of a majority stake in Sanzfield

Mexico City, March 21st, 2017. Grupo Rotoplas, S.A.B. de C.V. (BMV: AGUA) (“Rotoplas” or the “Company”), the leading provider of individual and integrated water solutions in the Americas, announces the acquisition of 52.7% of the Sanzfield Technologies Inc.’ outstanding voting shares for approximately \$44.8 million pesos.

Sanzfield is a Canadian innovation center specialized in the development of water treatment and water recycling systems, creating technologies that removes up to 100% of organic matter, viruses and bacteria in the wastewater without generating sludge.

Carlos Rojas Mota Velasco, Rotoplas’ Chief Executive Officer commented, “The acquisition of this technology significantly complements the growth strategy in the water treatment and water recycling business”.

This operation will be entirely financed with Grupo Rotoplas’ own resources.
